

Vystar® Corporation Secures \$800,000 Credit Facility

ATLANTA, May 2, 2011 -- Vystar® Corporation (OTC Bulletin Board:VYST.OB - News), the creator of Vytex® Natural Rubber Latex (NRL), a patented, all-natural raw material that significantly reduces antigenic proteins found in natural rubber latex, has secured an \$800,000 line of credit provided by certain of the Company's directors. The proceeds from the transaction will be used for working capital to support Vystar's projections and will fulfill the requirements agreed upon in the Company's credit arrangement with Topping Lift Capital LLC.

William R. Doyle, Chairman, President and Chief Executive Officer of Vystar, commented: "We are pleased that we closed our second financing within the past two months. Closing the line of credit provided by certain of our directors meets one of the key obligations under the terms of our line of credit with Topping Lift Capital LLC, which will provide greater flexibility in financing. We appreciate the confidence shown by our directors in Vystar by making this line of credit available to the Company. We are moving forward with procuring and fulfilling customer orders and will continue to update our shareholders as we execute on our growth plan."

About Vystar Corporation
